Art Hearts at Union Square San Francisco

In Battery Park, where tourists line up to take a ferry to the Statue of Liberty, nine would be allowed — down from about 50 — and five on the High Line. Officials say there are now more than 300 vendors in the four most busy parks, and seek to cut it down to 81.

City seeks to curb art vendors in Union Square, Central Park

There are many hotels and restaurants in the vicinity. I just recently moved away from brooklyn and wanted to purchase a painting I have always seen in Union Square. The tall multi-colored vase in the photo is a limited edition production by Moser, a Czech company.

The park is maintained by the. Also within the park, the seasonal café set within the old pavilion shuttered. Protests and political action in response to the original renovation plans resulted in a reduction in the degree to which the pavilion was to be renovated, a reduction in the total amount of space that the restaurant would occupy, and an increase in the amount of dedicated play space, but stiff opposition remains to the idea that any commercial uses might occupy the pavilion.

Union Square Park: The Complete Guide

The clubhouse is located on 15th Street between Irving Place and Union Square East. Vendors say the rules violate their First Amendment guarantee of free expression. The park at Union Square was completed and opened in July 1839.
