Cats 2017: Ernie: A Photographer's Memoir

I even named one of my cats Ernest and of course he became my Ernie. Electrode, Comp-ff087354-4977-4866-8341-5167d13ff467, DC-eus2-prod-a3, ENV-prod-a, PROF-PROD, VER-37.

Ernie: A Photographer's Memoir by Tony Mendoza

By all accounts, Ernie was a phenomenon, selling an estimated 100,000 copies. It captures one cat's personality succinctly, with variety and with humour, and not a cutsie moment in sight.

Ernie: A Photographer's Memoir

He lives in Ohio and teaches photography at Ohio State University. I think after you're through you will find yourself looking at it again and again.

Ernie: A Photographers Memoir

This is a used book. Browse our wide selection gently used books - textbooks, children's books, mystery books, novels, book series, fiction, non-fiction, hard-to-find books, and out-of-print books. Tony Mendoza spent two years taking around 10,000 photographs of Ernie while living in rented accommodation in New York during the early eighties.
