The 12 Books Every Texan Needs To Read

He went to roundup at seven years of age, sat on a genuine stallion and watched them brand calves on the Peterson Ranch in a place named Othello, Washington.

The 12 Books Every Texan Needs To Read

Graves' prose has striking spiritual and textual similarities with James Agee, John Steinbeck, Wallace Stegner, and Cormac McCarthy off the top of my head -- good company, a statement about the quality here. The book unfolds like the river he writes about, slowly, with many diversions and long, languid bends that almost but never quite circle back on themselves. I would give it 4.

Brazos Theological Commentaries

Jake Jackson was equally as revered among the Comanche, where he was raised from an infant to become the Comanche Warrior, White Wolf.

The 12 Books Every Texan Needs To Read

Though I This is my favorite book series to date. Not surprising, I guess: man travels remote, infrequently traveled path with dog, recounting his interactions with locals, throwing in some history and lore, and reflecting on the larger flaws of society.

John Slocum Series in Order by Jake Logan (page 2)

The book is part Tom Sawyer, part Jack Kerouac, and all Texas. By: 5 out of 5 stars 2 Two friends committed to one another and their destiny of exploring the wilderness known as French Louisiana. Overall, it's an enjoyable book, much more so for someone who knows the area he travels through.

Blood on the Brazos (2007)

There is hope for those who believe. I grew up seeing this book laying around for most of my life.

John Slocum Series in Order by Jake Logan (page 2)

He calls it a Farewell as soon after a series of dams were built on the river.
