Others South Africa's expressed regret that the agreement was struck without any consultation with Palestinians, even though the deal was related

to their future, and noted the agreement does not guarantee a permanent suspension of annexation of parts of the West Bank. This means trying to answer the question about who are the legitimate residents of Palestine based on who lived there first.

Why 4 Arab Countries Agreed to Recognize Israel in 2020

The time has come for the Palestinian Authority to join with other Sunni Arabs in recognizing that the nation state of the Jewish people is here to stay and that negotiation is the only road to statehood and a permanent peace that will benefit both the Palestinian and Israelis, as well as the rest of the region, and indeed the entire world. In recent years, the countries' informal relations warmed considerably and they engaged in extensive unofficial cooperation based on their joint opposition to Iran's nuclear program and regional influence. For decades, Arab countries united around the idea that Palestine must be liberated and Israel was not to be tolerated.

How is Netanyahu Driving a Wedge Between Israeli Arabs?

The land in question has gone by various names: Palestine, Israel, and Judea, depending on which group held control. Not all Palestinians are in this situation and many are living normal lives. It was rumored that Sharon actually went inside the mosque that sits on the Temple Mount, perhaps in defiance of Islamic beliefs.
