What really happens in this case is that the individual is overcome and crushed by a death deprived of any prospect of meaning or hope. As well as for reasons of a misguided pity at the sight of the patient's suffering, euthanasia is sometimes justified by the utilitarian motive of avoiding costs which bring no return and which weigh heavily on society. Even certain sectors of the medical profession, which by its calling is directed to the defence and care of human life, are increasingly willing to carry out these acts against the person.

Some of these exercises deal with estimation of trigonometric sums and are especially valuable as introductions to more advanced studies by I. By his words and actions Jesus further unveils the positive requirements of the commandment regarding the inviolability of life. In giving life to man, God demands that he love, respect and promote life.

The contemporary scene, moreover, is becoming even more alarming by reason of the proposals, advanced here and there, to justify even infanticide, following the same arguments used to justify the right to abortion. There are special times and ways in which the peoples of different nations and cultures express joy for a newborn life, respect for and protection of individual human lives, care for the suffering or needy, closeness to the elderly and the dying, participation in the sorrow of those who mourn, and hope and desire for immortality. We must be in the world but not of the world cf.

Uravneniia matematicheskoi fiziki.

Euthanasia in the strict sense is understood to be an action or omission which of itself and by intention causes death, with the purpose of eliminating all suffering.

Egnahemslån.

. It gives rise to amazement and gratitude in the person graced with freedom, and it asks to be welcomed, preserved and esteemed, with a deep sense of responsibility.
