## Ryo Shihono

Once they discovered Airi being sexually assaulted by her stalker, Honami and Kiyotaka took several photos with their phones' cameras repeatedly. She soon played volleyball with some of the students though is put off by the strangeness of the Class D students such as Ken Sudō, and.

## Ryo Shihono

Honami decided to support Kiyotaka and Suzune by looking for a witness too alongside them, reasoning that their two classes are not completely unrelated to each other. This inquisitive side was seen again as she took note of the students in Class D who have the potential to ascend to upper classes based on their talents. Please note the property does not have an elevator.

## ASHINOKO ICHINOYU \$115 (\$262)

They should have been able to provide a nice meal for all their guests. Click here to show spoilers. Because of this, Kiyotaka had to thoroughly reevaluate his image of Honami as cunning when she was able to successfully devise a strategy that led her to victory while avoiding the risks from affecting her class.

## Ryo Shihono

She allowed a student of Class C to join them after he was expelled from his own camp.

## Myokyo

Honami soon stopped right after Kikyō mentioned her own close relationship with him, to which she smiled about it, showing that she has no problem with it. She later hangs out at the pool with some of her classmates and meets up with Class D students.
