### Learn German language course

Later on in the course, you will have the opportunity to take part in conversations. This is highly effective and fun to use. They used to have a lot more.

### Linguaphone (Linguaphone Institute)

Time tested - Linguaphone has been producing language instruction material since the early 20th century. This German language course is a real alternative to taking classes and will provide you with a permanent lifelong reference for revision and referral. The course covers Beginner, Intermediate and Advanced levels in the German language.

### Review Modern Linguaphone

When I complete a lesson I like to test myself by seeing if I can translate back into the target language. Gradually words, then phrases, become clear and your reading, writing and speaking of the language will improve. Gaelic folksongs from the Isle of Barra.

### Which German language course

Choose from 15 popular languages in a range of convenient formats: CD, MP3 download or e-learning. Unfortunately, Linguaphone today have limited their language catalogue to just 15 languages. This is was a nice personal touch and makes you see that Linguaphone really did have the students best interests at heart.

### Linguaphone (Linguaphone Institute)

Our top selling German Complete course is now available to buy in two different formats.

### Learn German language course

Below is a letter someone recieved when they bought an Italian course in 1963, the director mentions the student learning Italian with his wife - the

customer must have mentioned this on the telephone or in his letter when he ordered the course.
