The House of God at Age 40—An Appreciation

An important element of this study involves archival research on the workers brought over to Britain and its colonies from Asia to staff the restaurants, shops, and performances that the exhibitions fostered.

cfp

That event included two days of intensive conversation among a variety of stakeholders, focused on how sport and faith can drive positive social change. Thus, the Russian literature of the 1920s does not belong exclusively to the past, but has relevance and interpretive power for the present, and language learners who wish to pursue a career in humanities, media analysis, analytical translation, journalism, or international relations must understand this period and the linguistic patterns it established.
