Oswald Spengler

It's just political correctness gone mad. Lord Beloff opens the book with an account of his own route to professional history and the reasons he became involved in different areas of historical specialization.

But he knew, on a visceral level, that they were thundering down the road at him -- that the exhibit represented a great unraveling of 19th-century understanding.

The Historical Society: Historians and Their Memoirs

Interesting biography of Marxist historian who passed away while I was reading this book. A fully amazing dude, and my favourite historian by like loads.

Talk:Historian

The writing is dense and filled with meaning, not merely factual but often poetic.

No. 131: Adam's Education

This message was posted before February 2018. Kept from a Cambridge University appointment by dint of his political affiliations, Hobsbawm found his place as professor of economic and social history at Birkbeck College, the University of London's evening school for working adults, and, later, once US officials forgave his CP membership, at the New School for Social Research. Hobsbawm writes a historical masterpiece of the XX century through the rather peculiar gender of the autobiography. Beloff discusses the contemporary problems and opportunities of the nations he has studied and traversed during his half-century as a working historian: Britain, France, the United States, Russia, and Israel.
