Monastery accommodation

Expect small rooms, battered functional furnishings, and a décor that, at its most lavish, includes both a tiny print of the Virgin and a crucifix nailed to the wall above your bed. In his fifteen-year career, Kevin has traveled to thirty countries and visited more than three hundred major places of pilgrimage, including monasteries and convents, while also writing for national publications and serving as an international guest speaker. Worship services are open to guests.

Monastery Stays

Unfortunately, most of these are upscale hotel operations, not cheap dorms for pilgrims.
