## George Crook

A very curious variety of juniper made its appearance : it was very stunted, grew prone to the ground, and until approached closely might be mistaken for a bed of moss. The West Virginia countryside was beautiful that spring, but the mountainous terrain made the march a difficult undertaking.

## Columbia University Libraries: On the border with Crook

A drifter with a strange accent and two wives. Loved the writing and insight of the author. After the disaster at the Little Bighorn, the U.

## John G Bourke / On The Border With Crook First Edition 1891 Western Americana

The general noticed that they used the fall, winter and spring seasons to gather food, so he adopted the tactic recommended by a predecessor to attack during the winter. Crook did not reveal the nature or objective of their mission, but everyone sensed that something important was brewing. After being departing from the fort, CH was being transported to a different officer.

## On the Border with Crook, Classics of the Old West by Bourke, John G.

It shows in his writing. He was promoted to the rank of on September 7, 1862.
