## The Human Past: Introduction to Archaeology

This issue explores the full range of topics of this fascinating group. There's no signup, and no start or end dates. The smaller Discussion Sections meet for one hour at 10:00am and 11:00am on Fridays in Room 136 of Davenport Hall.

## Introduction to Archaeology

X Exclude words from your search Put - in front of a word you want to leave out. These articles will be available online in the course web page on Canvas.

## The Human Past: Introduction to Archaeology

Contributors discuss the impact of migration on demographic change, as well as the methodologies they employ to address this complex research problem. The Romero Ruin at Catalina State Park tells part of their story, while also reflecting a bigger picture of Hohokam life. Course Instructor: Chris Fennell, office in 296 Davenport Hall, cell phone 312 513-2683; email cfennell@uic.edu

## The Human Past: Introduction to Archaeology

You can also obtain by attending a talk or museum exhibit related to archaeology and submitting a two-page essay on the subject in your Discussion Section in accordance with the related guidelines. Class Schedule and Readings: Week 1 Module 1. What primary topics do archaeologists explore? Other required or suggested readings may consist of short articles or text excerpts that provide additional information related to the subjects we are covering in our main textbook.

## Introduction to Southwestern Archaeology

I have created a course web page for Introduction to Archaeology using the University's Canvas program.
