List of chapters in the Quran

Jamiat Ulama Hind, New Delhi, India. Translated by Siddiqui, Mohammed Swaleh. Also includes the Arabic text; reprinted in 2014.

But evidences prove that the giver of the knowledge of Quran Sharif is not AllahTala. It is generally accepted that the Uthmanic text comprises all 114 suras in the order known today. Finally, he argues that if Uthman had altered the Quran, Ali would have restored it to its original state upon the death of Uthman, especially if verses of his rule had been removed.

Almighty Immortal God (Allah Kabir) in Quran Sharif (Islam)

The structure, the oldest extant example of early Islamic architecture, was completed in 691. In dating of the text, the inscriptions, which have been known for over a century, are significant.

List of chapters in the Quran

This would imply that the first compilation, during the time of Abu Bakr, was not at variation with the Uthmanic compilation.
