**Infrastructure Ontario loan program supports community**

I have been able to work with many of the Chilean refugees who live in our city, and they know full well the power of the CIA in the United States, instrumental in the overthrow of a democratic government in Chile.

## Government of Canada to support energy efficiency and climate action in Ontario

I feel indebted to the people from the Armenian community who have brought their history to our attention, and will confess that, as a person growing up in Canada, born and raised here, I was not aware of the history of the Armenian people. Cassidy: How will it be maintained? The point I raise with the minister is this: Equalized assessment apparently is based upon the principle that industry, say, should pay some portion of it.

## Ontario cancels wind, solar contracts as Ford moves on energy overhaul

It is about time they shared a little more of the suburban roads.

## Hansard Transcripts 1979

Third reading also agreed to on motion. Project Type: All renewable energy projects.

## Regulatory Approval for Energy Projects
