Dislocations and point defects in hexagonal metals; Dislokatsii i tochechnye defekty v geksagonal'nykh metallakh (Book)

It covers periodicals published by Russians in Europe, not North America, but is a fine source for identifying titles.

Online Catalogs and Russian Newspaper Bibliographies

To date it is still incomplete for 1801-1825 and it is unclear if the project will continue with titles published after 1825. Most of these sources trace information about editors, corporate bodies, changes to publication locations, and dates of issue. Germany and the United States have produced some of the greatest jugglers from the past 50 years, most notably Francis Brunn from Germany and Anthony Gatto from the United States.

Folie à lopéra

Newspapers are not included, however some titles that a researcher might think of as a newspaper will be included. These incendiary reprisals continued until Washington itself was burned by the British the following August see The Burning of Washington.
