I stood upon the soil of Greece at last! The flapping of the sail against the mast, The ripple of the water on the side, The ripple of girls' laughter at the stern, The only sounds:- when 'gan the West to burn, And a red sun upon the seas to ride, I stood upon the soil of Greece at last! Dumas also went on a night patrol with the Russian forces, during which the patrol ambushed and killed a Daghestani returning from a raid carrying a woman kidnapped from a local village. Five volumes in contemporary matching gilt calf with marbled endpapers. The flapping of the sail against the mast, The ripple of the water on the side, The ripple of girls' laughter at the stern, The only sounds:---when 'gan the West to burn, And a red sun upon the seas to ride.
