In most cases, there are no dates indicated; therefore, the order of the CDs does not represent the order in which interviews were conducted. The series is mainly comprised of correspondence Hansberry had with various organizations and individuals, and materials concerning her early employment history.

Charles Walton Papers

Subject files cover many issues of concern to SCAA in the second half of the twentieth century: welfare reform, water pollution, family planning, chronic illness and disability, and many others. The interviews were originally recorded, from the early 1970s to the early 2000s, on cassettes, minicassettes and VHS tapes. Along with Max Wertheimer and Kurt Koffka, he was a founder of Gestalt psychology, which strongly affected the development of psychology for more than half a century.

Business and Economic History on JSTOR

Jeremy Atack was responsible for greatly enhancing the technical quality of the journal, which he edited from 1981 through 1987. Public Health Service, 1965 11 Chronic Disability Study, 3rd Year Grant Continuation Report and Application, 1966-1967 12 Chronic Disability Study, Community Health Services Grant Application, 1964 23 1 Chronic Disability Study, Progress Report and Grant Continuation Application, 1964-1966 2 Chronic Disability Study, U. In 1924, at the age of 15, Nikolay Bogolyubov wrote his first published scientific paper On the behavior of solutions of linear differential equations at infinity.

Schuyler Center for Analysis and Advocacy Records, 1872

Series 8: Publications, 1873-1952, 1955-1974, 1976, 1979-1981, 1989-2004. Since 1990, a few materials from 1973-2004 have been added.

Business and Economic History Print Archives (1962

SCAA's activities within the general fields of public welfare and public health have been extremely varied over its lengthy history; it is difficult to summarize the accomplishments of the organization. The first subseries, Robert Nemiroff files, is further subdivided into two sub-subseries, Nemiroff's Biographical Information, and Lorraine Hansberry Estate.

Albert Eide Parr

The Women's Central Association of Relief became the United States Sanitary Commission, a predecessor of International Red Cross.
