### Living wills and advance directives for medical decisions

Even at colleges offering gender-neutral housing, many if not most students still choose to room with members of the same sex. Many North Side trees bear the names of victims of gun violence. And if you are thinking about hooking up with someone you live with or near, try to remember that can be a recipe for awkwardness—way more awkward than scuttling down the hallway in a towel and flip-flops.

Co

Specific requirements for changing directives may vary by state. In a cemetery, there are people who died of old age and disease.

### Living wills and advance directives for medical decisions

I was angry and confused.

### I live in a cemetery called north Minneapolis

I shared a cozy little room with another female student, and we had two boys living next door. By planning ahead, you can get the medical care you want, avoid unnecessary suffering and relieve caregivers of decision-making burdens during moments of crisis or grief. The shooting, as reported, happened just nine minutes before I walked past the scene.

### Living Like Ed

If you want to make changes, you must create a new form, distribute new copies and destroy all old copies. Consider if, when and for how long you would want to be placed on a mechanical ventilator. A POLST stays with you.

### I live in a cemetery called north Minneapolis

One was in critical condition, another dead. And students who identify as trans- or non-gender-binary appreciate dorms where they feel welcome as a person.

## **I live in a cemetery called north Minneapolis**

When you marry, divorce, become separated or are widowed, you may need to select a new health care agent. I walked the eight houses home and locked the door.
