10 Reasons Why You Should Learn Another Language

One is to increase your exposure to the language and culture. Of course we have things available to us today. I believe that learning some words in isolation using memory techniques is no substitute for this massive input, reading and listening, which is going to allow my brain to gradually get familiar with the language.

7 Benefits of Learning A New Language

This method can help you to learn a language by watching TV but, of course, it has its limitations. By the time I left France, I was completely fluent. After that I progressed with learning Portuguese more easily.

Want to Learn Another A Guide for the Absolute Beginner

A great way to help you do this is to so you can have conversations and have your partner correct you.

7 Benefits of Learning A New Language

How to learn a language by watching TV: 2 methods There are two ways to take the maximum advantage of your Netflix binge-watching sessions.

What Is The Best Way To Learn A Foreign Language?

Things that have helped me to begin with have been the Michel Thomas method, listening to Portuguese radio stations you can find them online , watching Portuguese kids TV clips and news on Youtube, translating my favourite songs into Portuguese so I can start to sing the language and watching Portuguese movies. While not always practical, the most effective way to learn any language is to go and live in that country. When a language disappears, so does its culture and the body of knowledge it has accumulated.
