London, Longman, Green, Longman and Roberts, 1859.

Shaksperean Statistics

Osgood John Leech on my shelves 1970 Z 8495.

Chesler Collection

For this reason the allusions and cryptic associations used by cartoonists in previous centuries are sometimes lost on even the most perspicacious of historians. Used as such in Imperial and Nazi Germany, where it complemented the swastika, it has also been the symbol of West German state sovereignty appearing on the federal escutcheon and seals since 1950. G52 1944 882 Gianeri, Enrico, 1900- Vita é dura ma é comica, 1890-1915 : un quarto di secolo di caricatura mondiale 1940 NC 1529.
