It has an almost encyclopedia-type approach, giving the names of every known spy, both male and female, and on both sides of the war.

Civil War: Spies

If you have a keen sense of European social history, you will be intrigued by this look at the American internecine war of the 19th century.

Among the subtopics are technology photography for mapmaking and Confederate use of a forerunner of microfilm, the value of women spies less subject to suspicion, they could move with greater freedom than male spies, and the roles of blacks as spies.

George Curtis (Union spy)

Markle Author -Covers the entire history of Civil War. I also like the added information in the newer edition that tells what happened to the spies after the war was over.

Spies and spymasters of the Civil War : Markle, Donald E : Free Download, Borrow, and Streaming : Internet Archive

A good case could be made that this volume is the single most valuable contribution to general Civil War literature so far this year. Short biographies of Civil War spies, both men and women of the Union and the Confederacy.
