Buckeye cookery, and practical housekeeping : compiled from original recipes

How To Remove Iron-Rust While rinsing clothes, take such as have spots of rust, wring out, dip a wet finger in oxalic acid, and rub on the spot, then dip in salt and rub on, and hold on a warm flatur. They are so dry that I initially mushed the apples with a potato masher when I made this recipe, but I decided to puree the sauce with a blender after tasting it. .

Catalog Record: Buckeye cookery : with hints on practical...

Take as many hops as can be grasped in the hand twice, put one-half gallon water over them in a new coffee-pot kept for that purpose, boil slowly for one hour.
