It makes Anthony Adolph a direct 15th cousin of the late King George VI. Memorandum on 'Organiaation of Britiah Infantry,' January 1853.

Prince George, Duke of Cambridge

On 3 November 1837 Prince George, now in his ninctocnth year, was gazetted to the rank of Brevet-lonel in the British Army. Thirty-seven years had elapsed since Waterloo was fought; and ever since the return of the British army of occupation from France in 1818 successive governments, not content with the dangerous reductions which had been made in the fighting forces of the Crown, had lost no opportunity of effecting further economies at the cost of naval and military efficiency.

THE BRITISH ARMY 1856

The controversy finally was submitted to the Cabinet, with the result that the aspirations of the War Office were upheld.

CMH aka The Cambridge Military Hospital — Operating Theatre Doors History The Cambridge Military Hospital, built by Messrs Martin Wells and Co. On the other hand, methods grow up which, however convenient for the Staff, give an absolutely false idea of both the theory and practice of war to the troops concerned. The French were on our right.

Colonel Thomas H. Monstery and the Use of the Quarterstaff

Part of the explanation must lie with Cambridge. Kinglake's researches and Sir Edward Homley's admirable account, are now known to all the world, any further description of it here would be suporlluous.

Accession Date: March 24, 1925 NOTE: Granddaughter of the artist and niece of Lord Lyndhurst. The Duke and Duchess of Cambridge have three children, Prince George, Princess Charlotte and Prince Louis. One Cnhinet after another hae played with the question, aud the idea entertained not very long ago of bringing the whole matter under the management of the IVivy Council is a tolerably sure index of what the present War Office authorities would have done bad not public opinion and the House of Commons itself declared against them.
