## **Enter the Dragon: Emails Show Hunter Biden Business Pals Fixed Meeting for Chinese Communists With Veep**

For official Chinese views, see the English language journal ChinaAfrica. Current appreciation of China's historical involvement in the world, including Africa, contrasts with former notions about its supposedly isolated position at the centre of a hierarchical tributary system. And in recent years, with South Africa entering what its ruling class calls the , the handwriting has been on the wall for quite some time.

### **The Dragon And The Phoenix**

That is, as I see it; why the US has hesitated to use such a system. Such a view is wrong. Essential reading about the historical background to China—Africa relations is Philip Snow's The Star Raft: China's Encounter with Africa.
