## The 10 most important employment law cases in 2018

This law school casebook presents updated materials on employment discrimination law.

## The 10 most important employment law cases in 2018

And do you understand how it applies in the context of your job? Supreme Courts widens scope of whistleblowing protection More whistleblowing cases Can the nefarious motives of a line manager who manipulates an innocent decision-maker into dismissing an employee be taken into account in a whistleblowing unfair dismissal case? Sexual orientation discrimination In arguably the highest-profile discrimination case of the last decade, the Supreme Court held that the bakery could not have committed direct sexual orientation discrimination as it would have treated other customers, whatever their sexual orientation or association with a particular sexual orientation, in the same way by refusing to fulfil the order. Latest HR job opportunities on Personnel Today 5.

## Cases And Materials On Employment Discrimination And Employment Law American Casebook Series PDF Book

In Bear Scotland, the EAT held that the three-month time limit for holiday pay claims runs from the last deduction or the last of a series of deductions being made, unless the presentation of the claim is not reasonably practicable within that period.

## Cases And Materials On The Law Of Employment Discrimination University Casebook Series PDF Book

Can an employer dismiss a trade union rep if it is unhappy with his or her union activities? Age discrimination in public-sector pensions This important age discrimination case could have long-term implications for how public-sector pension schemes changing their design use transitional provisions that favour one age group over another. As people see reports of discrimination in the news, they realize that they are not alone, and there is something they can do about it. Retrieved Feb 24 2021 from 9781609302788 The law of employment discrimination; cases and materials, 9th ed.
