Color in our World: Colors of Agony

While he still gazed upward into the deep arch of the firmament and had lifted his hands to pray, a cloud, though no wind was stirring, hurried across the zenith and hid the brightening stars. They look to each other for support, but the thought of opposing their whole community must be extremely daunting. We are but a little way in the forest yet.

Custom Life Of Agony Face Mask By Charles Art

Two commemorative protests sites including the community cemetery at Mangwoldong in and the activist community in Gangjeong Village also became immersed in yellow ribbons to display solidarity to the victims' families. This could be a contest in athletics, in or horse racing, or in music or literature at a public festival in ancient Greece.

Charlton Heston

Looking at each other, they realize that they are alone together: Everyone else they know is evil, including their spiritual leaders.

Youth in Ribbons

Be it so if you will; but, alas! Purchase a ribbon rack that holds the exact number of ribbons you are authorized to wear.
