Fanshen: A Documentary of Revolution in a Chinese Village on JSTOR

But on July 7, the Northeast Bureau, the Party office in charge of the campaign against Chiang's forces in Manchuria, ordered a radical strategy of targeting all landlords and rich peasants, and sent work teams to manage the process. .

Fanshen: A Documentary of Revolution in a Chinese Village by William Hinton

We were when the press of people was such that padded limbs and torsos leaned against us from all sides. This book is definitely worth reading, but you have to read between the lines.

Without wheat these families could not hope to survive until the corn and millet ripened in September, nor could they possibly mobilize the energy necessary for the repeated hoeing, side dressings, and thinning that made the major crops grow. The experience got worse as I continued through the book and found myself holding a chunk of pages that had separated itself from the binding entirely. Article II: Landownership rights of all

landlords are abolished.
