Financial management in China

The former two securities clearing companies affiliated to the Shanghai and Shenzhen stock exchanges have been integrated into the new company as its branches. The internal audit function must be staffed by qualified persons. According to Article 47 of the Securities Law, where any director, supervisor and senior manager of a listed company or any shareholder who holds more than 5% of shares of a listed company, sells the stocks of the company as held within six months after purchase, or purchase any stock as sold within six months thereafter, the profits generated from the sale shall be incorporated into the profits of the relevant company.

Shadow Banking in China

The Mexican Crisis 1995 , followed by the Asian Crisis 1997, and the Russian Crisis 1997-1998. Interest rates are set by the Central Government at levels that provide a comfortable margin between deposit and lending rates.

Chinese shadow banking, financial regulation and effectiveness of monetary policy

Corporate governance Good corporate governance for the banking sector, as defined in the Guidelines on Corporate Governance of Commercial Banks hereinafter, the Corporate Governance Guidelines promulgated by CBRC on 19 July 2013, shall consist of a sound organisation structure, clear-cut responsibility boundaries, proper development strategy, good value criteria and social responsibility, effective risk management and internal control, an appropriate incentive and disciplinary mechanism, a completed information disclosure system, etc.

Does “small bank advantage” really exist? Evidence from China

Working capital management, corporate performance, and financial constraints. Compensation Fund The Settlement Guarantee fund is intended to ensure that participants meet their settlement obligation and liabilities.
