## The Structure of “Othello”

Under pressure, he makes an inspiring speech.

## Introduction to Shakespeare and Politics

Iago finds it easy to drive Othello to jealousy and think that Desdemona loves another man because he already feels that her love for him is too good to be true.

## Shakespeare’s Othello as a Tragic Hero

You shall close prisoner rest, Till that the nature of your fault be known To the Venetian state. Only to a flawed man would murder seem like a solution to a problem of reputation. The first act of the play sees Othello in a high-ranking social sphere, a well-respected man who is, for the most part, good.

## Shakespeare's Language: Othello — Utah Shakespeare Festival

What are his external conflicts? It is at this stage that Desdemona happens to drop her handkerchief, which is retrieved by Emilia who, for once, betrays singular credulity about her husband. They are also a source of dramatic irony and tension.
