The extraordinary story of Huguette Clark and the \$30m she left to her nurse

In only a handful of those notably California does that mean a mandatory fifty-fifty split.

Huguette Clark's \$300 million copper fortune is divided up: Here's the deal

There was no plan — no official blueprints were drawn up, no architectural vision was created, and yet a once-unfinished house took shape on a sprawling lot in the heart of San Jose, California. But in reality, she was not wealthy. But he definitely gives the impression that he feels in the latter stages of their marriage she wasn't living up to her end of the bargain.

It's Her Job Too Lorna Wendt's \$20 million divorce case is the shot heard 'round the water cooler.

Fourteen of the 19 acknowledged in court papers that they had never met Huguette. If the IRS insists on collecting the penalties, that bill will lower the amount flowing to the foundation and could ultimately require it to sell the California property.

You cannot drive it anywhere.

8 People Who Accidentally Found a Fortune

She is uncomfortable with other people. She was to make sure nothing, but nothing, came between her man and his work. Bullock was on his way over to present the freshly printed check to the charity.

Steve Jobs' widow to give away Apple founder's \$25 billion fortune

Due to the lack of a plan and the presence of an architect, the house was constructed haphazardly; rooms were added onto exterior walls resulting

in windows overlooking other rooms. When I spoke to Spodek, he stopped short of endorsing the soundness of the business plan for the Anna Delvey Foundation. And if Immigration and Customs Enforcement has its way,.
