## Basic Law for the Federal Republic of Germany

If two or more religious societies established under public law unite into a single organisation, it too shall be a corporation under public law. The thesis analyses social security in both states and then compares them.

## Social security in the Federal Republic of Germany and the Czech republic

Inasmuch as intermediate authorities have been established, their heads shall be appointed in agreement with the Federal Government. Please also see for information about the documentation required.

## Social Security

The practice of an occupation or profession may be regulated by or pursuant to a law. Social insurance institutions whose jurisdiction extends beyond the territory of a single Land but not beyond that of three Länder shall, notwithstanding the first sentence of this paragraph, be administered as Land corporations under public law, if the Länder concerned have specified which Land shall exercise supervisory authority. Persons employed by other federal authorities shall, as a rule, be drawn from the Land in which they serve.

## FEDERAL REPUBLIC OF GERMANY, International Social Security Review

Appreciation for Merkel, however, has hardly been limited to Germany. Part of this thesis is also a survey, which should find out, how well people are informed, and how they orient in these systems of security. The Bundestag and the Bundesrat shall debate such bills in joint session without delay.

## Basic Law for the Federal Republic of Germany

By the end of 2018, Merkel appeared to be up against the ropes, her days numbered.

## **FEDERAL REPUBLIC OF GERMANY, International Social Security Review**

The same shall apply, *mutatis mutandis*, to persons, including refugees and expellees, who on 8 May 1945 were entitled to pensions and related benefits and who for reasons other than those recognised by civil service regulations or collective bargaining agreements no longer receive any such pension or related benefits.
