Small Arms Survey

In economies that have been corrupted by criminal networks, market- and state-building become more unattainable, economic growth is stunted, efforts towards development and poverty eradication are stifled, and foreign direct investment is deterred. The Conference, however, was delayed by almost two days due to questions concerning the status and participatory rights of the Holy See and Palestine.

Small Arms Survey

Thomas Countryman, in January 2017, on the U. Planes and Ships: Identification and Disruption of Clandestine Arms Transfers. The drug trade and human trafficking rank below counterfeiting and piracy in profitability.

Firearms trafficking, 'enabler and multiplier of violence' worldwide

At its fifty-fourth session, the General Assembly decided, by of 15 December 1999, to convene a United Nations Conference on the Illicit Trade in Small Arms and Light Weapons in All Its Aspects.

Illicit firearms trafficking

This results in profitable business for traders in illegal weapons. Article 7, paragraph 3, requires that if, after conducting this risk assessment and considering available mitigation measures, the exporting State party determines that there is an overriding risk of any of the negative consequences in article 7, paragraph 1, the export shall not be authorised. As some of our speakers will underscore, the reality of today's global economy is one of convergence.

Illegal Arms Trade: Issues and the Way Forward

The Dark Shadows of the Global Illegal Economy So why is there so much attention on illicit trade and the illegal economy? Illegally harvested timber and fish that should not be caught and traded represent multibillion-dollar businesses. Whilst most arms trafficking is conducted by private entities, governments also contribute to the illicit trade of ammunition in contravention of UN arms embargoes.
