Religious Reactions in Post

However, it would be a fair conclusion to say that based on the evidence presented by Markoff in his statistical tables of violence and events, that post Civil Constitution of the Clergy, as a result of that document, by way of the changes that it ushered in, the counterrevolution was indeed much more violent than it might have otherwise been had not those changes in the relationship between the people of France and their parishes taken place. He also examines suicide, public execution, and the rites surrounding the deathbed, and demonstrates how the period's ever-present concern with death and dying was transformed into the Romantic cult of melancholy that occupied the creative imagination of generations to come by John McManners Book 24 editions published between 1990 and 2002 in English and held by 645 WorldCat member libraries worldwide This collection of 33 stories shows the scope, vigor, and enduring fascination of the detective story and gathers together a wide range of work by writers including Julian Symons, Michael Gilbert, P. Essays in Honour of Henry Chadwick, Oxford, 1988; Bernard Plonger, La Vie quotidienne du clergé français au 18e siècle, Paris, 1974, 228.
