Acts of Omission: An Overview of Child Neglect

Intimate partner violence and child abuse: A child centred perspective.

What is Child Abuse — National Child Abuse Coalition

Sexual abuse is defined as the involvement of children or adolescents in sexual activities that they do not fully comprehend, to which they cannot give informed consent because of their developmental understanding of the law, and that break family or social taboos. The number of youths who experience child neglect has more than doubled since the mid-1980s, an increase more than eight times greater than the rise in children's population.

Suspect Abuse?

Are you scared that your paper will not make the grade? Equipping child protection practitioners to intervene to protect children from cumulative harm: Legislation and policy in Victoria, Australia.

Acts of Omission

British Journal of Social Work, 44 6 , 1472—1490. For a more detailed overview of the issues surrounding child neglect, see the CFCA paper. Simon, in , 2008 Definitions and Types of Violence Public health experts define violence as the intentional use of physical force or power, threatened or actual, against oneself, another person, or against a group or community, that either results in or has a high likelihood of resulting in injury, death, psychological harm, maldevelopment or deprivation.

Acts of Omission: An Overview of Child Neglect

Given these challenges, it is particularly important for child protection and child welfare professionals to work collaboratively to support families to build protective factors and protect children from emotional abuse.
