Dell also had a licence to publish in the United States and, following the launch of Disney's TV series in 1957, published seven more issues of Four Color dedicated to Zorro between February 1958 and September 1959, under said licence, with the first stories featuring artwork by.

Don Juan, el Zorro

Thus McCulley received no credit on the film. Su prolífica obra, reconocida y multipremiada a nivel mundial, ha sido traducida al portugués, al francés y al italiano y representada en casi todos los países de habla hispana. In March 2013, Robert W.

Don Juan el Zorro: Vida y meditaciones de un pícaro by Javier Villafañe

The all-black Fairbanks film costume, which with variations has remained the standard costume for the character, was likely adapted from the Arrow serial film character 1919. A sample superhero character called The Fox appearing in the supplement of the is also based on Zorro.

Don Juan el Zorro (December 1, 2001 edition)

Pedro Gonzales, Zorro's enemy but Diego's friend; Diego's deaf and mute servant Bernardo; his ally, Fray Friar Felipe; his father Don Alejandro Vega, the richest landowner in California and a widower; Don Carlos Pulido and his wife, Doña Catalina, Lolita's parents; and a group of noblemen caballeros who, at first, hunt Zorro but are then won over to his cause. This part of the backstory was changed in the 1920 film : Diego is recently returned from at the start of the movie, and Zorro later tells Lolita that he learnt his swordsmanship in Spain.

Don Juan el Zorro (December 1, 2001 edition)

Zorro here a 1930s descendant also appears in the 2013 Dynamite eight-issue limited series Masks alongside the and , , and. Culture Clash used the legend of Zorro as a lens to examine California's cultural, economic and historical issues. Those who knew Don Diego best declared he yawned ten score times a day.

Don Juan el Zorro (December 1, 2001 edition)

Publicó una notable serie de libros, entre ellos Teatro de títeres, integrado por obras para niños que se representaron en La Andariega, selección que luego se ampliaría y reeditaría en dos oportunidades, la última en 1967. July 3, 97 Night of the Fox: 2.

Don Juan el Zorro: Vida y meditaciones de un pícaro by Javier Villafañe

My body straightened, new blood seemed to course through my veins, my voice grew strong and firm, fire came to me! In this show, everyone knows Diego would love to do what Zorro does, but thinks he does not have the skill.

Don Juan el Zorro

In some versions, Zorro keeps a medium-sized dagger tucked in his left boot for emergencies. McCulley's portrayal of Diego's personality, with minor variations, is followed in most Zorro media. Many of these comics had Alex Toth covers.
