House of Stuart

The result of the plots was passing of more stringent penal laws by the Parliament. He wanted to naturalise the Scots in England but this was opposed by the English people who were not well-disposed towards the Scots.

The Stuart Dynasty: 12 Surprising Facts

Even as James I was on his way to England for accession to the throne 1603 he was presented a Millenary Petition, so called because its authors claimed that it expressed the views of more than a thousand ministers, couched in modest language urging abolition of the sign of the cross in baptism, use of ring in marriage, profanation of the Sabbath by games, bowing at the name of Jesus; demanded improvement of the ministry, prohibition of pluralities, and abolition of ex-officio oath. This necessitated formation of committees, some temporary, some permanent.

An Introduction to Stuart England

The Stuarts were the first kings of the United Kingdom. It was an age of intense religious debate and radical politics. With peace prosperity returned, and tide of commercial enterprise flowed in increasing volume.

England Under the Stuarts by George Macaulay Trevelyan

During the six years that followed James ruled without Parliament during which he raised funds by a general appeal for benevolence, free gifts, monopolies, forced loans, fines, and exaction of feudal dues. . The Parliament thus had the lever of finances in its hands for extra-ordinary expenses.

Often a source of some very heated debate in online history groups, the spelling of this surname is rather contentious, to say the least.

The Stuarts

On , in what had to ironically have been one of the most disappointing births in history, the future Queen Elizabeth I of England made her grand entrance onto the world and political stage.
