But there is more even in that example than most people know.

### What Did Chesterton See In The Church?

Down the centuries at the end of countless wars and revolutions the same religion is to be found standing. Anyone who is sick or wounded, and every single person at some point in their life is going to end up sick or wound ed. As a ghost is the shadow of a man, and in that sense the shadow of life, so at intervals there passed across this endless life a sort of shadow of death.
