Conte de Lautréamont

Sua mãe, francesa, morreu quando o escritor tinha apenas vinte meses de idade. Não se trata apenas de reflexão crítica sobre a literatura, mas de rebelião extrema contra a sociedade e o mundo. Sensing doom, the ship dumps its anchors to avoid being smashed against the rocky coast, then fires off its alarm guns.

Les Chants de Maldoror

The book combines a violent narrative with vivid and often surrealistic imagery.

Conte de Lautréamont

Lautréamont

It was like an enlightenment. .
