## Congo Kid

There is something about the word. But it must have something good in it, because pregnant women are known to often have cravings for it. The Tortoise had such tiny legs — there were a million places where he could slip and fall to his death.

## Congo Kid

As we mistake its dimensions, we also mistake its essential nature: the Dark Continent is mostly hot desert and open grassy plains. Evening in Kinshasa The 1st story is called ... Kubangwa. Even so, Michael had recently had to re-vamp his trip because the previous guide, a Bantu, had diverted the visits away from pygmy villages to those exclusively Bantu, where his own family and friends lived.

## Congo Tales

They kept him, looked after him, loved him and fed him; and he grew up strong and healthy, even though he was unable to do anything for himself or for anyone else, and depended entirely on the charity of his family.

## Congo Tales

One day, out on the lake with his nets, the husband pulled in huge plate. I had no idea you would be so hard to beat.
