African masks / Robert Bleakley

The surface and the interior are worn and the surface of the face shows signs of numerous over paintings of the face indicating its age and long use as well. Little is known of the culture of the Makonde people.

72 Masks ideas

Unclipped jacket has light edge wear with minor tears and chipping. It is but an agent, a medium for the ancestral powers that animate all things, and can only be understood in the context in which it was conceived, through the creative process that brings it into being, and by the dynamic interplay of the rhythm, color, texture, and movement that brings it, ultimately, to life. Die Masken werden aus ihrem Kontext heraus gelöst und mit einer Beschreibung ihrer Herkunft und Funktion gezeigt.

72 Masks ideas

Worn white lettering on spine.
