120 Over 80: Lockdown lowdown on our golden generation

More directly, Barbara Harvey who later on wrote important works on the Westminster estates and on the Black Death was then a Fellow of Somerville College. After the war, Stone took up an academic career when he worked at Cambridge as the director of the new Department of Applied Economics 1945—1955. I started on the enormous project I mentioned earlier with big funding from the Bavarian government and the federal German government.

Video & Audio: Richard Stone Annual

This excludes papers which contain only Monte Carlo applications, or econometric method papers in which the focus of the application is illustration of the techniques rather than substantive application to problems of interest in economics. The 84-year-old has also served as co-chair of the Inter Faith Network, and is a former chair of Nightingale Hammerson.

Person Page

Valerie Bello, 88 Valerie Bello For a remarkable 70 years, Valerie has been a leading activist in the Jewish community.

Richard Stone (1913

Soon after, In 1941 Stone married his second wife Feodora Leontinoff. Licensed from Columbia University Press.
