On her 13th birthday, Anne was given a diary.

10 Facts About Anne Frank

Exercises help students focus on literary and character analysis, as well as critical thinking and comprehension skills.

Anne Frank

How did Anne Frank die? If you want to do little written work and put more emphasis on discussion, the Teacher Guide can be used by itself.

10 Facts About Anne Frank

In May, 1940, the Netherlands were occupied and, in spite of no end of promises, the German system was introduced here as well. And what your potential is! Of course this also lessened the risk of the hideaways being discovered. The Nazis imposed strict rules on Jews, restricting the places they could visit, the shops they could use and even the schools they went to.
