Portrait of America: A Cultural History of the Federal Writers' Project by Jerrold Hirsch

More than 25 percent of the essays in the Tenth Edition are new, many from books that have been nationally and internationally recognized for their insight, accuracy, and timeliness, ensuring that the readings continue to be provocative and trustworthy.

In 1933 it stood at fewer than three million, a precipitous decline from the peak years before World War I. One reason is that it was one of the first kinds of art that became popular with settlers and colonizers from Europe. We mined decennial US Census data from 1900 to 1930, as well as other data sets to create a comprehensive profile of the earliest Lebanese-Americans.

About Us

He gives the kid a grown-up face, the famous Gilbert Stuart unfinished portrait that you know from the one-dollar bill. In the course of this study, Hirsch raises thought-provoking questions about the relationships between diversity and unity, government and culture, and, ultimately, culture and democracy. Upon the death of his father in 1953, Carter returned to Georgia to run the family farm and its supply company.

Portrait of America: A Cultural History of the Federal Writers' Project by Jerrold Hirsch

My family surnames are : Hage and Nicholas.

Immigrant America by Alejandro Portes, Rubén G. Rumbaut

I wish i could use this for all my classes! After spending four years in the White House from 1977 to 1981, Carter has spent the decades since working to spread peace and , and fighting disease throughout the world. Collection: Tanner was the most celebrated professional African American artist of the 19th century.

A Portrait of Jimmy Carter, America's Oldest Living President Ever

This painting echoes the struggle of his entire career: How could he get people to see him as an American artist—period—and not as an African American artist? The leaders of this mighty force were deeply respected at home and abroad. For those heading to North America, many took trains to Northern ports such as Le Havre and then sailed to New York.

Portrait of America: A Cultural History of the Federal Writers' Project by Jerrold Hirsch

The master-journeyman relation was gone forever and, with it, the social basis for democratic equality and self-reliant individualism that were founding elements of the American republic. First, natives and members of the second generation shifted attitudes, regarding further immigration as an obstacle and not as a propeller of their own upward mobility.

A History of Charcoal Portraits

Name sounds the same except for spelling.
