**Fra Paolo Sarpi Monument in Venice**

Disconnecting the Mind from the Universe The conception of Renaissance founder Nicolas of Cusa, and that behind the nation-state, was that mankind can understand the reasoning process by which the actions of non-living, living, and cognitive physical objects in the universe are created, use that discovered reasoning process as the way to truly understand the actions of those objects, and thus have insight into the reasoning behind the creation of the universe as a whole. With the birth of each child, a potential discoverer appears, ready to revive and advance the cause of noësis.

Sarpi refused the house but accepted the boat so that he could avoid the dangerous journeys on foot through the streets of Venice. The Doge, Leonardo Donato, and the Senate, with Sarpi's direction, were fully prepared to meet this emergency.

### **Sarpi, Paolo in**

Nominato teologo consultore dello stato, con lo stipendio di 200 ducati l'anno, egli sostenne con i suoi consigli l'azione del senato veneto, ne influenzò spesso le decisioni, rappresentò sempre il partito più estremo nel difendere le ragioni della repubblica.

### **Pope Paul V**

Sarpi stepped up, penning a memoir that outlined how the Venetians could respond to the censures. These principles were not new in themselves; the Classical Greece of Solon, Socrates, and Plato had already defined those principles.
