**The Burial Complexes of the Knight and Norton Mounds in Illinois and Michigan (9780932206640): James B. Griffin, Richard E. Flanders and Paul F. Titterton**

The earliest noted interment is 1845.

**Cahokia: North American Mounds**

For 60 years, this living museum has told the story of one pre-contact Native American culture on the Ohio River. Titterton In this volume, the authors collect data from various sources on the excavations of two groups of prehistoric burial mounds: the Knight Mound Group in Calhoun County, Illinois, and the Norton Mound Group in Kent County, Michigan. It formerly was next to an old church.

**JSTOR: The Burial Complexes of the Knight and Norton Mounds in Illinois and Michigan**

Many Native American tribes migrated over the centuries, and those living in territories at the time of European encounter were often not the descendants of peoples who had lived there before. For over a thousand years, Southwestern Indiana was home to many. The site was occupied by Native Americans of the Mississippian culture from around 1000 AD to 1450 AD.
