Highly recommended quick read for anyone in the field.

**The handbook for campus threat assessment & management teams (2008 edition)**

Roberto, Trustee Professor of Management, Bryant University.

**Campus Threat Management and Assessments**

Randazzo is a nationally-recognized expert in threat assessment and threat management. It is straightforward, easy to understand advice. In fact, it was written after the Virginia Tech incident so is quite up to date.

**The Handbook for Campus Threat Assessment & Management Teams**

We also consult on individual threat cases and provide guidance on crafting or revising institutional policies and procedures to facilitate effective threat assessment and collaborative case management. The authors have extensive experience in threat assessment and violence prevention.

**The Handbook for Campus Threat Assessment & Management Teams**

May have some damage to the cover but integrity still intact.

**The Handbook For Campus Threat Assessment & Management Teams by Gene Deisinger**
