Funk Wagnalls Standard College Dictionary

For readers, the Dictionary of Definitions can clear up confusing vocabulary in any text. We expect that you will understand our compulsion in these books.

Funk Wagnalls New College Standard Dictionary

Illustrations, Index, if any, are included in black and white. The Dictionary of Definitions is not cluttered with archaic language and linguistic terms making it a good choice for the everyday user. Those seeking a dictionary of Canadian English should look elsewhere, even if, at one time, this one had served as the standard for writing at such a great institution as the University of Western Ontario.
