The Secret Tomb of China's 1st Emperor: Will We Ever See Inside?

Han defectors swelled the ranks of the Eight Banners so greatly that ethnic Manchus became a minority—only 16% in 1648, with Han Bannermen dominating at 75% and Mongol Bannermen making up the rest. He established six boards or executive level ministries in 1631 to oversee finance, personnel, rites, military, punishments, and public works.

Ching Shih

Their aim was to adopt Western military technology in order to preserve Confucian values. In the town there was the case of people getting killed and stealing hearts, claiming it was an evil dragon.

Ching Shih

In September and November 1809, Ching Shih and Cheung Po Tsai fleet suffered a series of defeats at the hands of the at the , eventually coming to the realization there was no way they would be able to hold out forever.

Qing Shui

ACTING: Zhao Li Ying - honestly, ZLY is one of my favorite actresses.
