## The story of a good man

It remains relevant for every culture and nation, in every time and place, that wishes to build a civilization worthy of the human person. Because of the complete disruption of communications in Hiroshima after the atomic attack, the initial reports of damage were meager and fragmentary.

## Reagan and Gorbachev: Shutting the Cold War Down

Nothing had brought us together before, and we just talked.

## Sandy Berger: The Man Who Helped End The Kargil War

Dismantling the Soviet Union was the last thing Mr Gorbachev wanted; he came to save it, not to bury it. They belonged to two other veterans, who could not be there. It is called the Fulbright Center, and was dedicated in November of 1995, four months after normalization.

## How the Civil War Stalked Wilmer McLean

Lieutenant General Jimmy Doolittle had been newly sent to Okinawa to oversee the arrival of Eighth Air Force units from Europe to prepare them for future combat. Every conceivable theory was aired, every charge levelled, and every hope given expression.

## Reagan and Gorbachev: Shutting the Cold War Down

I went through a terrible experience. Churchill knew the same when he summoned Britons to their finest hour. Values that the US and India share in regard to democracy, human rights, rule of law, and concern for the well-being of the less fortunate are all fundamental.

## How Did World War II End?

After the short but violent Persian Gulf War, a group of senators flew to Kuwait on an inspection trip. When Bockscar arrived at the rendezvous point, only The Great Artist was there. McCain has long since eaten the words he uttered for Ray Shemie in 1984, and it is a good thing for John Kerry that he has.
