Paris Review

He also began to translate Italian and English literature, including the works of Petrarch, Donne, Leopardi, Keats and Yeats. Often he views the natural world from the unaffected perspective of children—or even from the eyes of Adam and Eve, who, fleetingly, experience that world before its constituent parts are complicated with names. He knew He was becoming the blank page again.

Rimbaud by Yves Bonnefoy

This bonus episode revisits and remixes the virtual launch events for Paris Review issues and , summer and fall 2020—no Zoom room required! He studied and at the and the in Paris. Dreams of an inaccessible Eden impinge on his pleasure in the things of the world: Once I had discovered and praised a particular work, I could more easily recognize its limitations.

Yves Bonnefoy (poet)

Yves Bonnefoy, Collège de France, 2004 with.

The American Side of France's Greatest Postwar Poet

Something very important, since it is necessarily the understanding of the right of this other person to be fully himself or herself, his right to think freely—and that is democracy. All the more so in that his life grows simpler the moment his work touches greatness.

New and Selected Poems, Bonnefoy, Naughton, Rudolf

Père employé des chemins de fer, mère institutrice. We follow Bonnefoy on restless peregrinations in search of masterpieces, from the architecture of India to the Quattrocento paintings of Italy. Now, obviously, this sort of simplified universe is more comfortable than the environment that was prevailing before the beginnings of language.
